Choosing a Share Class

Each of the Harbor funds have multiple classes of shares, with each class representing an interest in the same portfolio of investments. However, the Funds' separate share classes have different expenses and, as a result, their investment performances will differ. When choosing a share class, you should consider the factors below:

RETIREMENT CLASS

Retirement Class shares are available to individual and institutional investors.

- No 12b-1 fee and no intermediary fee of any kind paid by any Fund
- Transfer agent fee of up to 0.02% of average daily net assets
- $1,000,000 minimum investment in each Fund

INSTITUTIONAL CLASS

Institutional Class shares are available to individual and institutional investors.

- No 12b-1 fee
- Transfer agent fee of up to 0.10% of average daily net assets
- $50,000 minimum investment in each Domestic Equity Fund and International and Global Equity Fund
- $1,000 minimum investment in each Fixed Income Fund

ADMINISTRATIVE CLASS

Harbor Core Bond Fund and Harbor International Compounders Fund do not offer Administrative Class shares. Administrative Class shares are available only to employer-sponsored retirement or benefit plans and other non-retirement accounts maintained by financial intermediaries. Employer-sponsored retirement and benefit plans include: (i) plans established under Internal Revenue Code Sections 401(a), 403(b) or 457, (ii) profit-sharing plans, cash balance plans and money purchase pension plans, (iii) non-qualified deferred compensation plans, and (iv) retiree health benefit plans. Administrative Class shares are not available through personal plans, such as individual retirement accounts (IRAs), SEP IRAs, Simple IRAs or individual 403(b) plans, unless investing through an account maintained by a financial intermediary.

- 12b-1 fee of up to 0.25% of average daily net assets
- Transfer agent fee of up to 0.10% of average daily net assets
- $50,000 minimum investment in each Fund for accounts maintained by financial intermediaries
- No minimum investment for employer-sponsored retirement or benefit plans

INVESTOR CLASS

**Harbor Core Bond Fund and Harbor Core Plus Fund do not offer Investor Class shares.
Investor Class shares are available to individual and institutional investors.**

- 12b-1 fee of up to 0.25% of average daily net assets
- Transfer agent fee of up to 0.21% of average daily net assets
- $2,500 minimum investment in each Fund for regular accounts
- $1,000 minimum investment in each Fund for IRA and UTMA/UGMA accounts

Meeting the minimum investment for a share class means you have purchased and maintained shares with a value at the time of purchase that is at least equal to that minimum investment amount. Redemptions out of your account can cause your account to fail to meet the minimum investment amount requirement. Changes in the market value of your account alone will not cause your account to either meet the minimum investment amount or fall below the minimum investment amount.

DISTRIBUTION AND SERVICE (12b-1) FEES

Harbor Funds has adopted a distribution plan for each Fund's Administrative and Investor Classes of shares in accordance with Rule 12b-1 under the Investment Company Act of 1940. Under each plan, the Funds pay distribution and service fees to Harbor Funds Distributors, Inc. (the "Distributor") for the sale, distribution and servicing of the Administrative and Investor Class shares. All or a substantial portion of these fees are paid to financial intermediaries, such as broker-dealers, banks and trust companies, that maintain accounts in Harbor Funds for their customers. Because the Funds pay these fees out of the Administrative and Investor Class assets on an ongoing basis, over time these fees will increase the cost of your investment in Administrative and Investor Class shares and may cost you more than paying other types of sales charges.

TRANSFER AGENT FEES

The Funds pay Harbor Services Group, Inc. ("Shareholder Services") transfer agent fees (specified above) on a per-class basis for its services as shareholder servicing agent for each Fund. For each class except for the Retirement Class of shares, Shareholder Services uses a portion of these fees to pay unaffiliated financial intermediaries for providing certain recordkeeping, subaccounting and/or similar services to shareholders who hold their shares through accounts that are maintained by the financial intermediaries. These fees may consist of per fund or per sub-account charges that are assessed on a periodic basis (i.e., quarterly) and/or an asset based fee that is determined based upon the value of the assets maintained by the financial intermediary.
